Outstanding reviews from our customers

The containers are clean, dry and easy to access and the compound felt secure with easy access even out of hours ...Dave was a welcome face, is there most days and always good for a chat and our contents stayed safe and dry for 12 months.

A brilliant service, thanks.

Paul

Mission controller Dave is fantastic. He communicated clearly and promptly from our initial inquiry to the completion of the rental. He took the time to understand our needs and requirements and proposed the best options, outcompeting other alternatives economically.

Firat

Avonmouth Space Program went above and beyond for us. Couldn't recommend them enough. Dave was super helpful and great with communication prior to and during our time with them. Thanks so much!

Clare

Thank you so much to Dave and the team for a fantastic experience. We hired 2 large units for Bike to Glasto for 1 week and the team went out of their way to help. Everyone was friendly, prompt in response and couldn't have done more. The site is also tidy, with lots of vehicle access space and has a clean toilet for customer use.

Sam

Lovely people to deal with.
Great communication.
Very nice place.
Lots of storage space in the containers.
Definitely recommended.

Alfie

My business (BLDG Construction) has been using Avonmouth Space Program's site for almost a year now and we have found the service to be of the highest standard ...plenty of space to manoeuvre and offload from our vehicles and the site manager Dave is always on hand to offer assistance. I highly recommend them.

Connor, BLDG Construction
