Outstanding reviews from our customers

Great place if you need an easy accessible storage, one you can drive up to, no stairs, no lift. This site even has toilets and shower, some containers have electricity. Ian, who manages this place, is a lovely bloke, easy to chat with and always happy to help.

Kleo

Excellent service! Ian was friendly and extremely helpful throughout.

Would not hesitate to use them again!.

Mango Signs

I booked a unit for 2 months whilst moving house. The unit was perfect, being able to access the unit 24 hours a day and we never had any issues, would recommend.

Tom

...special thanks to Ian for always going the extra mile to help us out with our move. The site was safe, secured and very easy to access! Additionally, we used the van hire service, which was super easy to use and much cheaper than any other service. All in all, could not recommend more! Thank you!

Becky

I've used the space program twice now. South Bristol is well maintained, clean and secure. Importantly it sits outside the charging zone and is easy to Access via south Liberty Lane. Ian who runs it is really friendly and helpful. Top marks!

Ricky

Good experience storing stuff here for a few years. Great staff. Good terms.

Highly recommended.
